

## The Black Canadian Network Honors Vivilyn Peterson Black Canadian Role Model

**Markham, Ontario Canada – November 22, 2017**– The Diversity Advancement Network hosted the Black Business Awards on November 12th, 2017 at the National Event Venue. This ceremony is a business and professional edition of the Black Canadian Awards. A unique focus on the economic contributions of Black Canadians as we celebrate Canada at 150. Honored at this year’s ceremony as a Black Canadian Role Model was Vivilyn Peterson, General Manager of Nimble Information Strategies Inc. along with Canada’s minister for immigration, Honourable Ahmed Hussen, and Vice President at RBC, Harriet Thornhill. Congratulations Vivilyn, from everyone at Nimble, we are proud to be part of your team!

### About The Black Canadian Network

The Black Canadian Network, launched in 2004, is one of the largest networks for the black community in Canada. The Black Canadian Network “Black Canadians” is an initiative of the Diversity Advancement Network, a non-profit organization with a national and global mandate to promote literacy, integration and economic empowerment of all people, especially minority groups and marginalized communities. They continuously showcase exceptional talents and entrepreneurship through seminars, conferences and award ceremonies. These initiatives are focused on professionals, business owners, women, leaders, students, arts and the entertainment industry.

“Black Canadians” as they are mostly called, is a unifying voice for the black community, but has a multicultural mandate. They connect with hundreds of business owners, forward-thinking visionaries, community leaders, young professionals and students. They are all about creating opportunities.

The agenda is to better impact our community beyond Canada, presently investing in creating new international chapters and forging alliances in the Caribbean, US, Europe and Africa to further break down barriers and open doors of opportunities to all.
